From (Name) M.R.Ry. G. P. Mallappa Avl.,

(Designation) President, Taluk Board, Kollegal.

To The Secretary to the Government of Madras,

Local Self Government Department.
MADRAS.

Through The President, District Board,
Coimbatore.

Sir,

In submitting herewith a copy of the Taluk Board Resolution No.92 dated 16-7-30, I beg to submit the following for the reconsideration of Government in respect of their orders communicated in G.O.No.1004 Edn. dated 29-5-30 and G.O.No.M.S.1179 Law (Education) dated 16-6-30.

2. The Taluk Board area coprises the whole revenue Taluk of Kollegal 1164 sq. miles in extent with a population of 95356. About the three fourth of the area is covered with mountaineous tracts, reserve Forests and extensive waste lands. Of 89 villages in this Taluk Board area, most of them are ~~sparcely~~ sparsely populated and affected with malaria The communication with other parts of the District except

Mysore, is not made easy, but ~~brought~~ aught with great difficulties and consequently the free flow of people from and to, the ~~places~~ blains is precluded and it has resulted in general backwardness of the Taluk, as it has not been advancing as other Taluks of the District. Therefore its scanty income is more or less stationary, while its expenditure in the spread of Elementary Education and in affording other amenities to the people, is increasing. All the available sources of income have been tapped and yet its receipt is insufficient to make both ends meet. The financial condition of the Taluk Board is apparent from the fact that the District Board has been contributing annually a sum of Rs.16120/- to meet the excess expenditure over its receipt. This is the special circumstances in which this Taluk Board is placed.

3. That Government do not subsidize local bodies towards the employment of additional teachers in schools maintained out of their own funds and that Government have not undertaken to meet any future liability on account of additional teachers employed in girls schools he management of which was transferred to local bodies with fixed grant, are of course general principles outlined for administration. But there are special cases which require sympathetic treatment of Government and to which if these general principles are applied they will never improve in any direction for want of funds and will be a ~~sore eye~~ sore-eye till funds are found and amenities to civic life are afforded.

4. I therefore beg to approach Government th they may be pleased to treat the case of this Taluk Board as a special case for the reasons explained above, to subsidize towards the cost of additional teachers employed in Board Elementary schools at Alanalli, Kannur and Nagarapuram, and to sanction additional grant towards employment of additional teachers in the Hindu Girls schoolKollegal and thus to relieve this Taluk Board from the financial strain.

I have the honour to be,
Sir,
Your most obedient servant,

AUG 16 1930
